STAFF'S SECOND SET OF DATA REQUESTS TO
NEUTRAL TANDEM-ARIZONA, LLC
DOCKET NO. T-04298A-04-0930

An electronic copy of the response to this data request was filed with Mr. Lebrecht on March 7, 2005.

1. NTA's application indicates that it is requesting a CC&N to provide facilities based and resold local exchange services in addition to interexchange services. However, NTA's local exchange tariff indicates that it will be providing private line services as well. Please detail the services which NTA is going to be providing in Arizona.

Applicant intends to provide both facilities-based and resold non-switched dedicated and private line services that will provide ILECs, CLECs, ISPs, paging and cellular companies, cable companies, and government and corporate customers with broadband transmission services.
